

Task list no. / File No.	Friends of Thanckes Park
Description of task / process / eqpt	Park Run
Location of task / process / eqpt	Torpoint

Risk Assessment

Ref	Describe the hazard (H), hazardous event (HE) & outcome (O)	Who might be harmed?	Existing control measures	Risk Rating = Likelihood x Severity			Risk Level L/M/H	Additional control measures required	Target Date	Responsible Person	Date Completed
				L	S	RR					
	H Crossing A374 HE Struck by a vehicle O Death, serious injury	Runners Drivers	- Non-competitive run - Single crossing point selected for outward & return routes	Initial Rating				- Provide two crossing marshals to control traffic and runners Provide marshals with a hi-vis vests and a safety briefing - Position A0 warning signs 300yds, 200yds and 100yds before crossing point in both directions - Request Torpoint Ferry to make an announcement on all Torpoint-bound ferries from 8am - Brief runners on hazards immediately prior to start.	14 Oct 18	HS	
				3	5	15	M/H				
				Revised Rating							
				1	5	5	L/M				
	H Crossing Woodland Drive HE Struck by a vehicle O Death, serious injury	Runners Drivers	- Non-competitive run - Inbound visibility is good	Initial Rating				- Position an A0 warning sign before crossing point for traffic leaving Woodland Drive - Brief runners immediately prior to start.	14 Oct 18	RW	
				2	5	10	M				
				Revised Rating							
				1	5	5	L/M	14 Oct 18	RW		

Ref	Describe the hazard (H), hazardous event (HE) & outcome (O)	Who might be harmed?	Existing control measures	Risk Rating = Likelihood x Severity			Risk Level L/M/H	Additional control measures required	Target Date	Responsible Person	Date Completed				
				L	S	RR									
	H Running on mixed / rough terrain HE Slip, trip and falls O Minor to moderate injury	Runners	- Route chosen to avoid significant hazards SFARP	Initial Rating				- Moveable hazards cleared - Static hazards marked with chalk paint - Runners briefed regarding hazards immediately prior to start - Trained first aiders at the start / finish - Suitable first aid kit	07 Oct 18	RW					
				3	3	9	M		14 Oct 18	RW					
				Revised Rating					1	3		3	L	14 Oct 18	RW
				14 Oct 18	RW										
	H Runners on public paths and pavements HE Contact with, or inconveniencing, members of the public O Minor to serious injury	Runners Spectators Public	- Generally clear vision along	Initial Rating				- Event advertised on social media, in the Advertiser and on the ferries - 'Caution Runners' signs at key points to warn pedestrians - Runners briefed regarding courtesy immediately prior to start	ASAP	HS					
				3	3	9	M		14 Oct 18	RW					
				Revised Rating					1	3		3	L	14 Oct 18	RW
				14 Oct 18	RW										
	H Insufficient parking facilities HE Drivers parking in inappropriate places O Road Traffic Collisions, death, injury, damage to property, delay & complaints	Runners Spectators Public	- Three small car parks available	Initial Rating				- Maintain access to sports field for overflow parking	14 Oct 18	RW					
				3	4	12	M/H								
				Revised Rating								1	4	4	L/M
				14 Oct 18	RW										

Ref	Describe the hazard (H), hazardous event (HE) & outcome (O)	Who might be harmed?	Existing control measures	Risk Rating = Likelihood x Severity			Risk Level L/M/H	Additional control measures required	Target Date	Responsible Person	Date Completed
				L	S	RR					
	H Insufficient toilet facilities HE Nowhere to toilet or wash O Environmental hazard & poor hygiene leading contamination & infection	Runners Spectators Public	- Public toilets nearby	Initial Rating				- Advise TTC of event timings and request extra toilet roll, soap and towels			
				2	3	3	L				
				Revised Rating							
				1	3	3	L				
	H Inclement weather / severe rain HE Slips, trips and falls O Minor to serious injury	Runners Spectators	- Monitor weather forecast	Initial Rating				- Abandon event on receipt of a 'Severe Weather Warning' - Advise by social media			
				2	3	6	L/M				
				Revised Rating							
				1	3	3	L				
	H Insufficient route marking HE Runners getting lost O Frustration, time-wasting and lack of support for future events	Runners Spectators	-	Initial Rating				- Route clearly marked with signage and eco-friendly paint - Route map displayed at start - Runners briefed regarding hazards immediately prior to start			
				3	2	6	L/M				
				Revised Rating							
				1	2	2	L
